Logic Box Universal U2 12/24V 60320003

Universal Logic Box U2 12/24V 60320003 AKRON®

The U2 Universal Logic Box is the basis for the new generation of electric gun control systems. Combining networked communications, advanced functions and easy installation, it offers optimum performance:

- Five motor control channels
- Two-connector installation
- USB port for rapid updates in the field
- IP67 pressure valve
- Proportional speed control
- CAN J1939 communication
- CAN Open or VMUX communications (with gateway module)
- Plug and Play

All accessories compatible with AKRON® products can be found at **MMF Protection et Sécurité**for more information, please contact your local distributor or authorized repair center.
