

## NSN Noline shine spray cleaner

### NSN Noline® Shine Spray Cleaner - Performance and shine

**NSN Noline® Shine Spray Cleaner** is an innovative solution that cleans, degreases, protects and shines in a single step. Its formula, which contains no aggressive solvents, acetone or silicone, respects the environment while guaranteeing optimum efficiency. Versatile, it can be used on automotive surfaces as well as domestic and professional equipment.

### Waterless cleaning for all surfaces

Thanks to its advanced technology, this spray provides **effective cleaning without rinsing**. It removes dirt, dust, grease and streaks while leaving a protective water-repellent film, reducing the adhesion of impurities.

### NSN Noline® benefits

- **Versatile use:** ideal for bodywork, wheels, glass surfaces, stainless steel, glass ceramics and much more.
- **4-in-1 action:** cleans, degreases, protects and gives a brilliant shine.
- **Water-repellent protective film:** limits the accumulation of impurities and facilitates future cleaning.
- **Environmentally-friendly formula:** complies with CE 1935/2004 standard for use in contact with food surfaces.
- **Easy to apply:** quick, effortless application, ideal for professional and domestic use.

### Directions for use

1. **Shake** bottle before use to homogenize solution.
2. **Spray** directly onto the surface to be cleaned.
3. **Wipe** with a clean, dry cloth, preferably microfiber.
4. **Buff** if necessary for optimum shine and protection.

### Precautions for use

For safe use:

- Keep out of reach of children.
- Avoid contact with eyes. In case of contact, rinse thoroughly with water.
- Test on an inconspicuous area before applying to sensitive surfaces.

## Why choose NSN Noline® Brilliant Spray cleaner?

This spray offers a **fast, effective, water-free cleaning solution**. Whether you're looking after a car, motorcycle, bike or a variety of household and professional surfaces, it guarantees a flawless finish and long-lasting protection.
