3-piece foam for suitcase 1520

Customizable Protector Foam Kit for 1520 Protector Case

Optimize the security and organization of your gear with our **customizable Protector Foam Kit**, an easy-to-use, do-it-yourself system for perfectly adapting the interior of your **1520 Protector** Case. Thanks to its pre-cut foam layers, you can create custom compartments for every piece of equipment, in just a few minutes.

The **Protector Foam Kit** is the ideal solution for transporting your valuables in complete safety. This DIY (Do It Yourself) system includes three types of **high-quality polyurethane** foam, designed to absorb shock, protect against vibration and prevent movement inside your hard case.

Each layer is designed for easy customization: the central foam is pre-cut into small cubes (Pick N Pluck) to allow precise adjustment around your items.

Technical specifications :

- **Compatibility:** 1520 Protector Case
- **Kit contents:**
- **Material:** Lightweight, resistant and absorbent polyurethane
- **Color:** Black

Benefits:

- **Quick, intuitive installation:** Simply mark the footprint of your equipment (with tape or chalk), then remove the cubes.
- **Extreme customization:** Adaptable to any shape or size of equipment.
- **Optimum protection:** Limits shocks, absorbs vibrations, and secures your delicate objects.
- **Versatility:** Suitable for many types of equipment (photo, audio, electronics, tools...).

Use:

1. Place your equipment on the pre-cut foam.
2. Mark outlines with chalk or tape.
3. Carefully remove the foam cubes needed to create a custom cavity.
4. Be sure to **leave at least 2.5 cm (1 inch)** of foam between the object and the case walls for optimum

protection.

5. Insert the entire assembly into your 1520 case and you're ready to go!

Whether you're a photographer, technician, content creator or do-it-yourselfer, this **customizable foam kit for suitcase 1520** is your ally for **tailor-made**, reliable and elegant **protection**. Give your equipment the security it deserves - tool-free, effortless, 100% effective.
