

Shoulder strap 1472 for Suitcase Peli™

Peli 1472 heavy-duty shoulder strap - Optimum comfort for case transport

The **Peli 1472 reinforced shoulder strap** is an essential accessory for carrying your Peli cases. Strong and ergonomic, it is designed to provide comfortable and secure support when carrying heavy or bulky cases.

Comfort and sturdiness for extended wear

Made from durable materials, this shoulder strap combines strength and comfort thanks to its reinforced strap and thick padding. It distributes the load evenly over the shoulder, reducing fatigue on business trips.

Product compatibility

The shoulder strap is compatible with the following models of Peli Protector and Air cases:

- 1470 Protector Laptop Case
- 1490 Protector Laptop Case
- 1490CC1 Protector Laptop Case
- 1490CC2 Protector Laptop Case
- 1495 Protector Laptop Case
- 1505 Air Case
- 1705 Air Long Case

Key benefits

- **Easy to carry:** ergonomic, comfortable carrying, even for heavy loads
- **Sturdy construction:** high-strength materials for long service life
- **Quick installation:** clips or fasteners are easy to install on your case

Why choose it?

Suitable for professionals (aviators, technicians, photographers...), the Peli 1472 shoulder strap is the ideal accessory to make your travels or trips more practical. It combines comfort, durability and compatibility with many Peli suitcase models.
