

Utility cover pouch for Peli™ Storm IM 3075 case

Detailed contents

- 9 mesh pockets for optimum visibility and ventilation
- 2 closed pockets with flaps to secure small items
- 1 open folder pocket
- 1 integrated pen holder
- 1 transparent ID card pocket
- Black hook-and-loop fastener on the back for quick attachment to the inside of the case lid

Use

This organization kit is ideal for professionals who need to **store electronic accessories, cables, tools, documents or small equipment** in their iM3075 case. It is particularly useful for :

- Field technicians
- Photographers or videographers
- Industrial workers
- Law enforcement or specialized rescue

Thanks to its practical, modular design, it saves time in the field and optimizes internal case space.

Compatible model

Compatible only with [Peli Storm iM3075](#).
