Rubber headband for Peli™ headlamp

Peli™ rubber headband for HeadsUp Lite™ headlamp

The Peli**™ Rubber Pad**is an official accessory designed to replace or complement the original headband of Peli™ HeadsUp Lite™ 2690 headlamps. Its durable rubber design allows a precise and comfortable fit, while guaranteeing a reliable hold even during intensive activities or on safety helmets.

It enhances comfort during prolonged use and ensures that the lamp stays perfectly in place, reducing the risk of frequent slipping or repositioning. Its lightness and flexibility also make it easy to assemble and disassemble the headlamp quickly.

This padding is ideal for security guards, professionals working at night, technicians, or anyone using the Peli™ HeadsUp Lite™ 2690 headlamp in conditions where comfort and support are essential.

Benefits & highlights

Peli rubber padding offers several advantages:

- **Secure hold:** Optimum fixation on helmet or head, preventing slippage.
- **Improved comfort:** Soft, ergonomic material for extended wear without discomfort.
- **Durability:** Made from hard-wearing rubber for intensive use.
- **Perfect compatibility :** Designed specifically for the Peli™ HeadsUp Lite™ 2690 headlamp.

Recommended uses

This padding is particularly suitable for:

- Professional interventions requiring a stable headlamp.
- On-site or outdoor work where prolonged wear is required.
- Industrial and security environments.
- Use over a helmet or on the head for optimum support.
