Belt ampoule holder - 15 ampoule capacity

The first-aid kit is an essential accessory for anyone concerned about their health and safety. With its compact, single-compartment design, this kit is designed to hold everything you need to intervene quickly if necessary. It features a high-quality zipper, allowing full opening for easy access to its contents. The transparent front label holder guarantees rapid identification of the kit, ensuring optimal emergency management. Thanks to its CODURA coating, the kit offers excellent resistance to outdoor conditions, while remaining lightweight and easy to carry thanks to its practical handle.

Features:

- **Dimensions:** 24 x 16 x 12 cm
- **Weight:** 0.16 kg

- **Single compartment** for organized, practical storage.
- **High-quality YKK® zipper** for easy, durable opening and closing.
- **Transparent front label holder** for quick identification of contents.
- **CODURA exterior coating**, a wear-, tear- and weather-resistant material.
- **Carrying handle** for a comfortable grip and optimum mobility.
- **Several colors available** according to the type of equipment to be stored, e.g. green kit for dressings, blue for oxygen therapy equipment, red for blood, etc...

Advantages :

- **Convenience and accessibility:** Thanks to its full zipper opening, this kit allows quick access to its contents in case of emergency.
- **Easy to carry:** The carry handle makes it easy to transport, whether in the car, in a backpack or even by hand.
- **Optimum durability:** The CODURA coating and YKK® closure guarantee the kit's longevity, even in extreme conditions.
- **Quick identification:** The transparent label holder provides immediate visibility of contents, saving time in emergency situations.
- **Compact, functional design:** Its small size makes it easy to store in any space, while ensuring organized storage of your first-aid supplies.

Use:

This first-aid kit is ideal for use in a variety of situations:

- **In the car**, to be ready in the event of an accident or small incident.
- **To complete**your **first-aid bag**
- **When hiking or camping**, to intervene quickly in the event of injury.
- **At work**, especially in environments where first aid is needed quickly and efficiently.

It's also perfect for **sports activities** and **travel**, where safety and accessibility to immediate care are crucial.

This flexible first-aid kit with a single compartment is the perfect tool for anyone concerned about organizing their first-aid supplies. Compact, lightweight and easy to carry, it ensures rapid intervention thanks to its full opening and transparent label holder. The CODURA coating and YKK® closure add an indispensable level of resistance and reliability. Whether you're out on a call, at home, in the car, or in the great outdoors, this kit will meet your needs to the full. Keep it close at hand, so you're ready for anything.
