A mobile case designed for professionals on the move

The **Peli iM2975 waterproof case** has been developed to accompany users who transport their portable computer, documents and work accessories on a daily basis. Its rigid shell effectively protects contents from impact, moisture and dust.

This **waterproof case with wheels** is ideal for consultants, engineers, technicians and sales staff who want to travel with their equipment in complete safety.

Optimized interior layout for IT equipment

The iM2975 easily organizes a computer portable, tablet, chargers, cables, files and other essential accessories. Its layout facilitates quick access to contents while keeping equipment well protected.

Sturdy castors and a **retractable telescopic handle** ensure comfortable transport in stations, airports and on job sites.

Technical advantages of the Storm range

Manufactured to **Storm** standards, this case benefits from a durable design designed to withstand intensive use. Its **HPX® resin** structure combines lightness and high impact resistance to effectively protect sensitive equipment during transport and storage.

Press & Pull™ latches ensure secure closure while remaining simple to handle. The **Vortex® valve** automatically balances internal pressure to facilitate opening after variations in altitude or temperature.

Ergonomic bi-material handles, padlockable hasps and **reinforced hinges** complete a sturdy, reliable design particularly suited to frequent travel.

Recommended uses

- Transporting computers portable and tablets
- Protection of business documents and accessories

- Business trips and frequent travels
- Transport of sensitive IT equipment

Questions in the field

Why choose the iM2975?

The iM2975 combines practical interior organization, excellent mobility and a high level of protection for professionals who transport their equipment on a daily basis.

What equipment can be carried in this case?

It can accommodate a computer portable, a tablet, documents, chargers, cables and various technical or IT accessories.
