Waterproof carrying case Peli 1510SC

A waterproof case designed to organize your professional equipment

The **Peli 1510SC** is a specific configuration of the 1510 range, designed to facilitate the storage and protection of a computer portable, documents and numerous accessories. Also sought-after as a **waterproof computer case portable**, **shockproof wheeled case** or **secure transport box**, it offers a sturdy, practical solution for business travel.

Its dedicated interior layout enables cables, chargers, small electronic equipment and other accessories to be organized efficiently, while retaining the renowned protective performance of the Peli range.

Reliable protection against water, dust and shock

Certified **IP67**, this **waterproof protective case** effectively protects its contents against dust, temporary immersion in water and impacts. Its rigid shell absorbs shocks and withstands the stresses of frequent transport.

The **automatic pressure-balancing valve** makes it easy to open after changes in altitude or temperature, particularly during air travel.

Practical organization and easy transport

The Peli 1510SC is equipped with **sturdy wheels** and a **retractable telescopic handle**, making it easy to move your equipment. Its compact size and interior layout make it particularly suitable for consultants, technicians, engineers and other travelling professionals.

Benefits of the Peli 1510SC

- **Specific interior layout** to organize equipment
- **IP67 certification** against water and dust
- **Reinforced shock protection**
- **Sturdy wheels** for easy transport
- **Retractable telescopic handle**
- **Automatic pressure-balancing valve**
- **Padlockable hasps**
- **Peli limited lifetime warranty**

A robust solution for business travel

The **Peli 1510SC** is a reliable solution for transporting a computer portable, documents, electronic accessories or any other sensitive equipment requiring extra protection. It combines organization, mobility and durability in a compact format particularly appreciated by professionals.
