Waterproof carrying case Peli 1560LOC

A large-format waterproof case for computers portable and sensitive equipment

The Peli **1560LOC** is designed for professionals looking for a **waterproof computer case portable**, capable of effectively protecting computer equipment, documents and technical accessories while on the move.

Also in demand as a **wheeled waterproof case**, **professional shock-proof case**, **secure transport case** or **hard case for IT equipment**, this configuration combines reinforced protection, large interior volume and excellent mobility.

Reliable protection against water, dust and shock

Thanks to its **IP67** certification, this **waterproof transport solution** effectively protects its contents against dust and temporary immersion in water in accordance with the conditions stipulated by this index. Its rigid shell absorbs impacts and withstands the stresses of frequent transport, field operations and business travel.

This **impact-resistant protective case** is particularly well-suited to technicians, engineers, consultants, experts and traveling professionals carrying sensitive equipment.

Interior space designed for professional equipment

The interior is designed to efficiently organize a computer portable, chargers, cables, documents and electronic accessories. Its generous interior volume makes it easy to store several items of equipment, while ensuring that they remain securely in place during transport.

The **automatic pressure-balancing valve** makes it easy to open this **large-format carrying case** after variations in altitude or temperature, particularly during air transport.

1560LOC advantages

- **Dedicated interior layout for IT equipment**
- **IP67 certification** against water and dust
- **Shock-resistant hard shell**
- **Large interior volume**
- **Sturdy wheels** for easy transport

- **Retractable telescopic handle**
- **Automatic pressure equalization valve**
- **Padlockable hasps**
- **Peli limited lifetime warranty**

A mobile solution for frequent trips

Thanks to its sturdy wheels and telescopic handle, this **waterproof wheeled case** is easy to move despite its large capacity. It is ideal for transporting computers portable, electronic equipment, confidential documents and business accessories requiring extra protection.

Frequently asked questions

What is the advantage of the 1560 format?

The 1560 format offers ample storage capacity, ideal for carrying more equipment and accessories while maintaining mobility.

Is this case suitable for frequent business trips?

Yes, its sturdy design, reinforced wheels and telescopic handle make it ideal for travel, field work and regular transport.
