Waterproof carrying case Peli 1560LFC

A large-format waterproof case designed for sensitive equipment

The Peli **1560LFC** is designed for professionals looking for a **wheeled waterproof case** capable of effectively protecting IT, audiovisual, photographic or electronic equipment while on the move.

Also in demand as a **waterproof photo case**, **shockproof audiovisual case**, **secure transport case**, **rigid professional case** or **protective case for sensitive equipment**, this configuration combines reinforced protection, large interior volume and excellent mobility.

Optimized interior for equipment organization

The special feature of this configuration is the **organizer panel integrated into the lid**, and the protective foam to hold equipment securely in place during transport.

The interior space is ideal for organizing cameras, lenses, audiovisual accessories, computers portable, chargers, cables, microphones and other sensitive electronic equipment. Compartments facilitate structured storage of equipment, while limiting movement during transport.

Reliable protection against water, dust and shock

Thanks to its **IP67** certification, this **waterproof protective case** effectively protects its contents against dust and temporary immersion in water in accordance with the conditions stipulated by this index.

Its rigid shell absorbs impacts and withstands the stresses of frequent transport, field travel and demanding environments.

A mobile solution for frequent travel

Thanks to its **sturdy castors** and **retractable telescopic handle**, this **large-format carrying case** is easy to move despite its considerable volume.

The **automatic pressure-balancing valve** also facilitates opening after changes in altitude or temperature, particularly during air transport.

Peli 1560LFC benefits

- **Integrated organizer panel** with storage compartments
- **Foam protection** for equipment retention
- **IP67 certification** against water and dust
- **Rigid shockproof shell**
- **Large interior volume**
- **Heavy-duty wheels** for easy transport
- **Retractable telescopic handle**
- **Automatic pressure equalization valve**
- **Padlockable hasps**
- **Peli limited lifetime warranty**

A reliable solution for professionals and content creators

This **professional waterproof case** is ideal for photographers, videographers, technicians, engineers, consultants and traveling professionals who need to transport sensitive equipment in a rugged, mobile and durable solution.

Frequently asked questions

What kind of equipment can be carried in this case?

This configuration can carry cameras, lenses, audiovisual accessories, computers portable, documents and other electronic equipment requiring extra protection.

Is this case suitable for frequent travel?

Yes, its sturdy wheels, telescopic handle and hard-wearing shell make it particularly well-suited to regular travel and transport.
