

Telescopic pole for Peli™ RALS 9460B-C-M / 9470B-C-M floodlight

The [Peli™](#) RALS **9460B / 9460C / 9460M / 9470B / 9470C / 9470M** telescopic mast is an essential spare part for portable lighting systems in the RALS range. Designed to meet the needs of first-aiders, firefighters and law enforcement, it offers a lighting solution suitable for emergency interventions such as road accidents and traffic controls.

Features

- **360° swivel:** offers maximum flexibility for directing the light source as required.
- **Adjustable height:** can be extended up to **201.9 cm** for better lighting coverage.
- **3 levels of adjustment:** allows height to be adapted to suit the requirements of the job.
- **Lightweight:** just **700 grams**, for easy transport and handling.
- **Compatibility:** designed to work with Peli™ models **9460B / 9460C / 9460M / 9470B / 9470C / 9470M**

Advantages of a Peli™ RALS 9460B / 9460C / 9460M / 9470B / 9470C / 9470M telescopic mast

- **Optimized visibility:** Ideal for ensuring optimum lighting during nighttime operations or in low-light conditions.
- **Great maneuverability:** Its 360° rotation and various adjustment levels guarantee easy adjustment.
- **Robust materials:** Designed to withstand the intensive use of rescue and security professionals.

Useful

- **Firefighters:** Improves visibility during fire or road rescue operations.
- **Law enforcement:** Effective for traffic control and security operations.
- **First-aiders:** Helps to quickly set up a secure, illuminated perimeter.

Conclusion

The Peli™ RALS **9460B / 9460C / 9460M / 9470B / 9470C / 9470M** telescopic mast is an indispensable spare part for rescue and security professionals. Its robustness, ease of use and adaptability make it an essential accessory for guaranteeing effective lighting in all circumstances.
