Flashlight PELI™ 5020

The Peli™ 5020 torch is a high-performance model designed to offer intense, versatile brightness. Thanks to its variable beam technology, it lets you choose between a wide beam to illuminate a wide area or a concentrated beam to illuminate at long distances. With a range of up to 250 meters, this torch is ideal for all situations requiring clear, precise visibility, whether in work or outdoor environments.

Features :

- **Brightness:** Up to 586 lumens
- **Beam range:** up to 250 meters
- **Power supply:** 4 AAA alkaline batteries
- **Modes:** 4 modes available: Intense, Medium, Low, Flashing
- **Variable beam technology:** Wide or concentrated beam as required

- **Durability:** Designed to withstand harsh conditions
- **Lamp type:** High-performance LED

Benefits:

- **Versatility:** Choose between wide beam for immediate area illumination or concentrated beam for longer distances.
- **Battery life:** 4 AAA batteries for extended runtime.
- **Ease of use:** Switch easily from one mode to another with the simple on/off switch.
- **Powerful light:** 586 lumens and 250-meter range for exceptional visibility.
- **Compact and robust:** Designed to withstand demanding working conditions, this torch is lightweight and convenient to carry.

Use:

The Peli™ 5020 torch is perfect for outdoor use as well as for professionals needing light in dark or large spaces. Its powerful beam and multiple modes make it ideal for camping, hiking, security, or even inspections in industrial environments.

The Peli™ 5020 torch is a must-have choice for those looking for powerful, adaptable lighting. With its ability to illuminate wide areas or reach distances of 250 meters, its durability and multiple modes, it effectively meets lighting needs in a multitude of situations. Whether for professional or personal use, it offers a reliable, high-performance solution
