

9416 charger base for Peli™ 9415Z0 headlamp

Base for 9416 charger for 9415Z0 headlamp

Optimize charging of your equipment with the [Peli™ 9415Z0 projectorbase](#)

The **Peli™ 9416 desktop/dash charger base** is an essential accessory to ensure fast, safe charging of your equipment. Designed to offer great flexibility of use, it enables you to charge your Peli 9416 headlamp efficiently, whether on a desk or directly on the dashboard of a vehicle.

Key features:

- **Optimum compatibility:** specially designed for the Peli 9416 lamp, ensuring fast, reliable recharging.
- **Versatile installation:** can be mounted on a desk for indoor use, or on a vehicle dashboard for charging on the move.
- **Robust materials:** made from high-quality materials for maximum durability.
- **Safe charging:** optimized charging system to prevent overcharging and extend battery life.
- **Ease of use:** simple, intuitive connection for stress-free use.

Why choose the Peli™ 9416 charger base?

- **Gain in efficiency:** recharge your Peli 9416 lamp quickly and safely.
- **Ideal for professionals:** suitable for demanding environments such as emergency services, industry or security.
- **Compact, practical design:** perfect for indoor use or on the move.
