PELI - 0783 headband loops for helmets (4 pcs.)

Optimize headlamp attachment with PELI-0783 headband loops. This double-sided, self-adhesive 3M attachment system guarantees maximum safety for lamps on most helmets. Ideal for rescue operations, mine work, firefighting, cycling and caving, this product is essential wherever helmet use is required.

Contents:

- **Practical Kit:** Sold by bag of 4 hooks, including 2 pairs of different sizes suitable for various lamps.
- **Self-adhesive system:** Designed with 3M double-sided adhesive, guaranteeing maximum safety on most helmets
- **Optimal attachment:** PELI-0783 headband loops ensure a secure hold for your headlamp.
