Belt case for 200 ml eye bottle PLUM 4692

This case is specially designed to hold Plum 200 ml bottles, offering a practical solution for safe transportation. It allows you to carry your bottle directly on your belt, ideal for professionals or users on the move. Thanks to its robust design, it effectively protects the bottle from dirt and other impurities.

Features :

- **Compatibility:** Designed for 200 ml Plum bottles.
- **Material:** Made from durable, resistant material.
- **Closure**: Convenient Velcro closure system for quick opening.
- **Portability:** Belt clip for easy, secure transport.
- **Protection:** Protects the bottle from splashes and dust.
- **Dimensions:** Size suitable for 200 ml Plum bottles.

Benefits and uses :

- **Practical and functional:** Allows you to wear your bottle on your belt, keeping your hands free while keeping your bottle within easy reach.
- **Effective protection:** Protects your bottle from dirt and accidental damage.
- **Ease of use:** Quick Velcro opening for easy access in seconds.
- **Secure transport:** Ideal for travel, whether for outdoor professionals or for personal use.

The Plum 200 ml bottle case is a practical and durable accessory, offering an ideal solution for transporting and protecting your bottle. Its easy-to-use velcro closure and belt attachment make it a highly functional product for those who need to keep their bottle close at hand while protecting it from dirt and splashes.
