

4-piece foam for Peli™ suitcase 1560 - 1560M

Customizable foam kit for Peli™ Pelican 1560 / 1560M case

Optimize the protection of your equipment with this easy-to-install **pre-cut foam kit**. Ideal for transport professionals, photographers, videographers or technicians, this DIY system lets you tailor the interior of your suitcase to your specific needs, while ensuring maximum security.

This **high-quality foam kit** has been specially designed to fit [Peli™1560](#) and **1560M** suitcases. Thanks to its layers pre-cut into small cubes, you can easily create custom compartments for each of your devices, accessories or tools.

Whether you're carrying sensitive electronics, photo lenses, drones or audiovisual equipment, this protective foam allows you to effectively secure every item.

Technical specifications

- **Compatibility:** Peli™ 1560 / 1560M cases

- **Kit contents:**

1 convoluted lid foam (4.9 cm)

2 pre-cut Pick N Pluck foams (7.6 cm, 1.27 x 1.27 cm cubes)

1 solid base foam (2.5 cm)

- **Material:** High-density polyurethane
- **Easy cutting:** Pre-cut cubes for precise fit
- **Optimum protection:** Shock absorption and perfect object retention

Benefits

- **Quick customization:** Position your equipment, mark the foam, then "pluck" the cubes to be removed.
- **Reinforced protection:** Leave at least 2.5 cm of space between the object and the walls for effective shock absorption.
- **Easy to install:** No special tools required.
- **Reusable:** Replace only damaged layers if necessary.
- **Versatile:** Suitable for many types of equipment: audio, video, tools, scientific equipment, etc.

Use

1. Place your equipment on the pre-cut foam.
2. Mark outlines with tape or chalk.
3. Carefully remove the cubes needed to create the desired footprint.
4. Be sure to leave a buffer space around the object to avoid contact with the case walls.
5. Replace the foam in your Peli™ 1560 or 1560M case and transport safely.

This **customizable foam kit** is the ideal solution for transforming the interior of your Peli™1560 / 1560M suitcase into a secure, organized storage space perfectly suited to your equipment. Easy to use, robust and precise, it ensures peace of mind on all your business or personal trips.
