

Hardback case Peli™ 1095 for computer 15

Hardback Peli™ 1095 15" computer case

Protect your electronic devices with the **Hardback Peli 1095 case**, specially designed to accommodate a **15-inch portable computer**. Rugged, waterproof and dustproof, this case is ideal for nomadic professionals, musicians, photographers and anyone concerned about protecting their data. Inspired by legendary Peli reliability, it ensures maximum security against shock, water and dust, even in the most extreme conditions.

Features :

- **Compatibility:** designed for computer portable 15 inch
- **Pick N Pluck™ foam:** customizable for a perfect fit for your device
- **Cover with rolled foam:** for extra screen protection
- **Watertight seal:** prevents the ingress of water and dust
- **Shock resistance:** dimensionally stable shell, suitable for harsh environments
- **Automatic pressure valve:** allows easy opening, even at altitude
- **Easy-open latches:** remain closed under pressure or after impact
- **Removable shoulder strap included:** for convenient, comfortable carrying

Advantages :

- **Extreme protection:** no longer fear falls, splashes or dusty environments
- **Easy to carry:** thanks to the included shoulder strap and compact design
- **Effortless opening:** even after transport by plane or in the mountains
- **Foolproof durability:** a reliable investment to protect your valuable equipment

Application:

Ideal for professionals in the field, creatives on the move, students, travelers and technicians alike, the **Peli 1095 case** guarantees the safety of your laptops and tablets, whether traveling, filming or performing technical work. Suitable for both professional and personal use.

With the **Peli Hardback 1095**, don't let a simple fall ruin your equipment. Give your portable computer the protection it deserves with a rugged, waterproof, shockproof case that's perfectly suited to transport. A trusted choice for anyone who refuses to compromise on the safety of their electronic equipment.
