

Waterproof case Peli™ 1300

Peli™ Protector case - Ultimate protection for your sensitive equipment

Since 1976, the **Peli™ Protector suitcase** has been the go-to solution for protecting sensitive equipment in the most extreme environments. Designed and manufactured in the **USA**, this professional case combines robustness, lightness and reliability. Waterproof, shockproof and dustproof, it ensures maximum safety even in extreme conditions: intense cold, extreme heat, humidity or altitude.

Thanks to its customizable Pick N Pluck™ foam and watertight O-ring seal, the Peli™ suitcase guarantees optimum interior protection against impact and infiltration. Its intelligent design and high-end materials make it a favorite choice for professionals in photography, industry, security and the military.

Technical specifications:

- **Inner dimensions:** 23.3 x 17.8 x 15.5 cm
- **External dimensions:** 27 x 24.6 x 17.4 cm
- **Lid depth:** 3 cm
- **Bottom depth:** 12.5 cm
- **Internal volume:** 0.007 m³
- **Maximum buoyancy:** 5.6 kg

Materials :

- **Body:** High-strength polypropylene
- **Latches:** ABS
- **O-ring:** Polymer
- **Spindles:** Stainless steel
- **Foam:** Polyurethane 1.3 lb
- **Drain valve:** ABS with 3-micron hydrophobic membrane

- **Minimum:** -40 °C
- **Maximum:** 99 °C

Benefits of the foam-free Peli™ 1300 waterproof case:

- **Extreme protection:** Resists water, dust, shock and extreme temperatures.
- **Proven reliability:** Used by professionals for nearly 50 years.
- **Comfort of use:** Overmolded rubber handles for a better grip.
- **Inner security:** Pick N Pluck™ foam for a precise fit around your equipment.
- **Easy care:** Resistant, washable materials suitable for intensive use.
- **Easy transport:** Compact, lightweight format, ideal for frequent travel.

Uses:

The **Peli™ Protector** case is perfectly suited to professionals and individuals needing to transport or store valuable or fragile items. In particular, it is used for:

- **Photo and video equipment**
- **Scientific and electronic equipment**
- **Security or defense devices**
- **Sensitive documents or measuring instruments**
- **Precision technical tools**
- **Expeditions to extreme environments (forests, deserts, polar zones...)**

The **Peli™ Protector case** is much more than a simple carrying case: it's a veritable safe portable. Thanks to its intelligent design and professional-grade materials, it lets you transport your equipment with complete confidence, whatever the terrain or weather.
