

Peli™ iM2370 Storm waterproof case

The **Peli™ Storm case** is the perfect combination of strength and innovation. Stemming from the same legendary DNA as the renowned **Peli Protector case**, this case has been designed to offer optimum protection in the most demanding environments. Its key distinguishing feature is its **unique push-pull latch system**, which locks automatically while allowing easy opening with a simple touch.

Features :

- **Push-pull latches:** Both push and pull latches ensure automatic locking and easy opening with a light touch.
- **Strong HPX® resin:** Made from tough HPX® resin, this case offers unrivalled protection against shock and impact.
- **Waterproof and durable:** The case is **waterproof**, **shockproof** and **dustproof**, offering high-quality protection for your valuables.
- **Vortex® valve:** An integrated Vortex® valve system automatically equalizes pressure while keeping water out, even in the most extreme environments.
- **Two-layer soft-grip handles:** Ergonomic soft-grip handles provide optimum comfort when carrying the case, even over long distances.
- **Two padlockable hasps:** Equipped with two padlockable hasps, you can secure the suitcase with padlocks for added safety.
- **Heavy-duty hinges:** Reinforced hinges ensure maximum durability and resistance to wear and tear.

Advantages :

- **High-quality protection:** Thanks to its design and the materials used, the Peli™ Storm protects your most precious belongings from moisture, dust and impact.
- **Ease of use:** The press-and-pull latch system lets you open the case with a simple gesture, while guaranteeing automatic closure.
- **Durability:** Designed to last a lifetime with a **lifetime warranty** and made in the USA.
- **Optimum security:** With two padlockable hasps and a watertight valve system, this case protects against both water intrusion and unauthorized access.
- **Comfort:** Ergonomic soft-grip handles ensure a comfortable grip, even during extended transport.

Use:

The **Peli™ Storm case** is ideal for professionals and adventurers who need to transport fragile or valuable

equipment in extreme conditions. Whether you're a photographer, videographer, engineer, or simply a travel enthusiast, this case is designed to protect your electronic equipment, measuring instruments, sensitive tools, and other valuables.

- **Photographers/Videographers:** Protect your cameras and accessories against humidity, shocks and impacts.
- **Professionals:** Carry precision instruments, laboratory equipment or delicate tools in complete safety.
- **Adventurers and Travelers:** Preserve your personal belongings, electronics and other equipment in extreme weather conditions.

The **Peli™ Storm case** embodies ruggedness, innovation and reliability. With its advanced protection features, ease of use and lifetime warranty, it stands out as the ideal solution for those looking for a high-quality suitcase capable of withstanding the harshest conditions. Choosing a Peli™ suitcase means opting for safety and peace of mind, whatever the situation.
